

Working at Bridges

Rewards and Benefits

Why Choose Us

Bridges is a purpose-driven, not-for-profit community health provider.

With our continuous presence throughout Regional Queensland, we are the region's longest standing community based mental health and drug and alcohol treatment provider.

Bridges prides itself on delivering evidence-based programs and services by our experienced, dedicated, diverse and inclusive workforce. Our goal is to always deliver organisational excellence through strong leadership and a skilled and motivated workforce.

We welcome interest from inspired health practitioners, cultural and recovery workers and experienced administration staff. We hire, locally, across Qld, interstate and overseas. Staff who want to make a real difference in supporting our clients to believe, achieve and thrive. Bridges encourages those of Aboriginal and Torres Strait Islander origin to explore employment opportunities with us.

Bridges has a strong organisational culture with regular communication to staff regarding what is happening in the organisation.
